

# PROTECT YOUR SITE AND YOUR PEOPLE WITH SOSEC

**STOP**

HSE  
intervention  
fines

**3 month  
ROI**

over manned  
security

The UK's first mobile, solar  
powered barrier/gate system

Safety Initiative of the year 2019

## TRIED, TESTED, TRUSTED

"Using **SOSEC** barriers has allowed us to cut site security costs, improve public demarcation and reduce HSE interventions."

*Rob Crossland, Kier Living*

**SOSEC** is a revolutionary, award winning approach to securing work sites. Combining **SOLAR** power and **SECURITY** in a simple, rugged, visible and mobile platform. This exceptional barrier means sites can cut HSE fines, have a 3 month ROI on traditional manned security and it is instantly deployed. Being solar powered there is no power necessary and is fully mobile so it can be moved with your worksite entrance.

**FULLY MOBILE** – Stand-alone, self-powered, reusable across sites

**SIMPLE TO INSTALL** – Delivered ready to work

**RELIABLE** – Opens up to 900 times a day – even in the winter

**ROBUST** – Perfect for construction, highways, mining, retail, event and emergency use

**MULTIPLE USES** – Choice of 5m vehicle barrier, with or without locked pedestrian gate
