The UK's first solar powered welfare cabin and barrier

SOSEC 600 is a revolutionary approach to securing work sites. All combined on one instant delivery, steel platform, this welfare cabin with integrated barrier means sites can cut HSE fines and instantly deploy a safe work area for site security personnel. Fully solar powered it is fully mobile so it can be moved instantly as your site evolves.

MOBILE – Stand-alone, self-powered and reusable across the site

SIMPLE – Delivered ready to work

SAFETY – Welfare cabin with internal lighting and phone/tablet chargers

RELIABLE – Opens up to 200 times a day – even in the winter

ROBUST – Perfect for construction, highways, mining, retail, event and emergency use

ACCESS – Choice of 4m sectional barrier or 5m rigid boom with traffic lights and/or gated skirt.
